

## Purpose of this Form

The purpose of the Supplemental Application Form is to collect specific information from a third-party who can verify an applicant's current housing situation or health condition (in accordance with section 26(c) of the *Freedom of Information and Protection of Privacy Act*).

The Housing Registry will use this information to:

- determine eligibility for subsidized housing;
- assess housing need; and
- determine the housing developments that suit an applicant's needs.

## Instructions to Applicant:

### Who should use this form?

The Supplemental Application Form is optional and is intended for use only with **The Housing Registry application**. If you have a Supportive Housing application, the receipt of this form will be noted on your Supportive Housing Registry File.

However, some housing providers that use The Housing Registry to fill available units may give additional consideration to applicants who are:

- homeless;
- fleeing domestic violence or abuse; or
- have a serious health condition that is affected by current housing.

Applicants who meet these criteria must have this Supplemental Application Form completed by someone who can verify their situation. The person who fills out this form is called a "third-party verifier".

### Step #1:

Applicant completes and signs Part One. This provides authorization for the third-party verifier to complete the form and submit it to The Housing Registry.

### Step #2:

Forward this form to the person you have chosen to verify your current living circumstances.

If you wish to have more than one person provide information to The Housing Registry, you must have each person complete a separate form.
