Frequently Asked Questions

Last updated December 12, 2007

1. Can we submit the EOI proposal via email?

We do not accept proposals submitted via email in response to the Expression of Interest call. Directions on how and where to submit the proposal can be found in the EOI description.

2. We are interested in obtaining schematic or concept drawings of the 12 city-owned sites. Can this be made available to us?

Currently the drawings are still in a preliminary stage and are not available for viewing. The successful proponents will have the opportunity to provide input into the design of the building and amenity spaces.
