

## Choices for Seniors and Adults with Disabilities Zone 11 - Southern Interior, Kamloops, Kelowna, Penticton and Vernon

The Housing Listings is a resource directory of affordable housing in British Columbia and divides British Columbia into 12 zones. Zone 11 identifies affordable housing in the Southern Interior, Kamloops, Kelowna, Penticton and Vernon. Corresponding listings of affordable housing for seniors and adults with disabilities are attached.

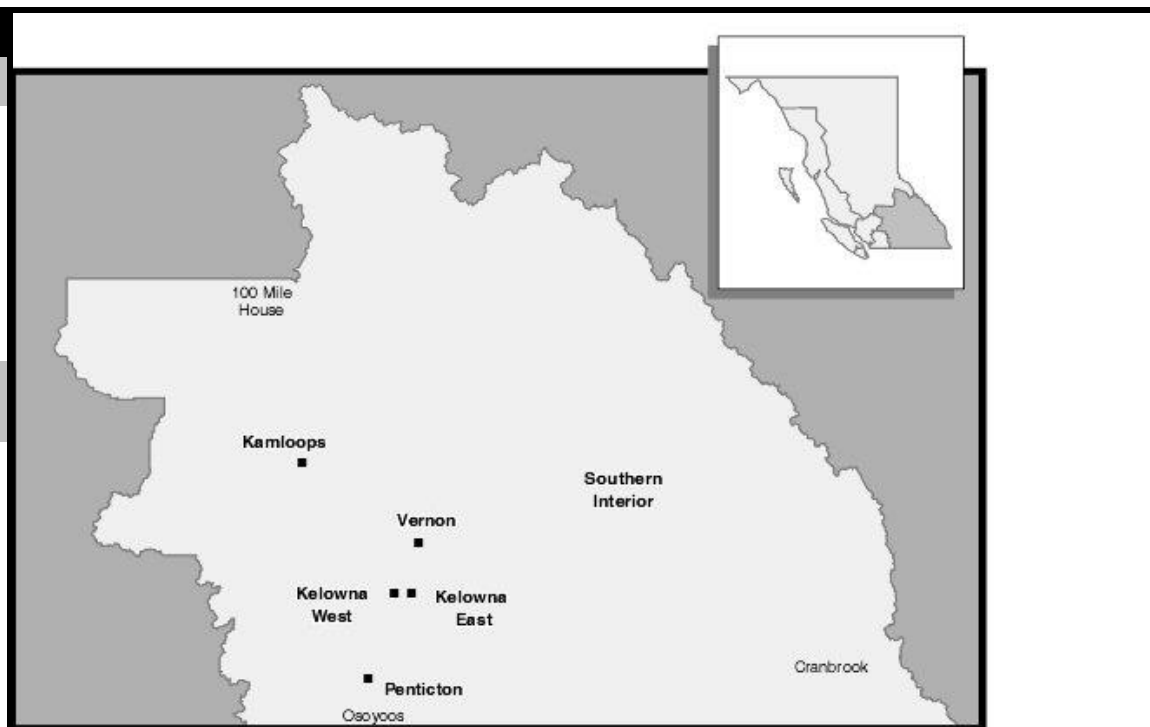

### **The attached listings are divided into two sections.**

#### **Section #1: Apply to The Housing Registry**

Section 1 lists developments that The Housing Registry accepts applications for. These include developments that BC Housing manages, and some non-profit and co-op developments. To apply for these developments, please complete an application form which is available from any BC Housing office, or download the form from [www.bchousing.org](http://www.bchousing.org).

#### **Section #2: Apply directly to Non-Profit Societies and Housing Co-ops**

Section 2 lists developments where the individual non-profit societies or co-operatives maintain their own applicant lists and fill vacancies from this list. To apply for these developments, please contact the society or co-op using the information provided in the column titled "How to Apply". Please note, some non-profits and co-ops close their applicant list if they reach a maximum number of applicants.

In order to increase your chances of obtaining housing it is recommended that you apply for several locations at once.
