"As a Building Manager, I feel supported by our management team, and I feel my opinion is wanted and heard. Other organizations think they're good at that stuff, but BC Housing actually is."

Steve B
Building Manager

This organization is surprisingly un-bureaucratic. As a Building Manager, I feel supported by our management team, and I feel my opinion is wanted and heard. That's because we're all on the same page... we're passionate and focused on the job of providing quality services for BC's most vulnerable. These people have had a rough time and we're here to make it a little easier to live independently and with dignity.

The tenants really appreciate what we do – you can see it on their faces. It feels good to be part of an organization like that.

I am where I want to be.

BC Housing
