CEDAR PLACE Redevelopment Landscape Plan

- Individual unit patios with privacy hedges and lawn areas for potential private garden plots.
- Central open space with mounded lawns and curvy walkways.
- Play area with certified safety surfacing.
- Shared garden plots with raised garden beds, garden shed, composter, and small fruit orchard.
- Amenity area with overhead trellis & gathering area for barbeque station, seating, and outdoor dining.
- Ernie Winch Park with tennis courts, open lawns, walking paths, and play equipment.
- Main entry with large welcoming plaza, bicycle parking, seating area, and feature planting.
- Street frontage with seasonal plantings, metal picket fence and gates.
