Welcome

Neighbourhood Open House for Proposed Supportive Housing at 45880/45888/45896 Trethewey Avenue

Neighbourhood Open House | Tuesday, September 11, 2018
---|---
5:30 pm - 7:30 pm | Please drop in to learn more about the proposed housing and talk with representatives from BC Housing, Fraser Health and RainCity Housing. We look forward to working together with the community on a plan for this essential housing.

- Ensure comments and discussions are respectful;
- Recognize that the issues are complex and we need thoughtful discussion about how to meet community needs;
- Share your thoughts – fill out a comment form, join the conversation tonight or email communityrelations@bchousing.org. All comments received by September 12 will form part of a summary report provided to the City of Chilliwack.
Housing Need in Chilliwack

Homelessness is usually the result of many factors including a lack of adequate income, access to affordable housing and medical services, experiences of discrimination, traumatic events and personal crisis, physical health problems or disabilities and mental health concerns.

According to the 2017 Fraser Valley Regional District Homeless Count, there were 221 people experiencing homelessness in Chilliwack, which was a 203% increase from 2014.

People who are homeless in Chilliwack currently have access to the following BC Housing funded services:

- Outreach workers
- Rent supplements
- 57 year-round shelter beds
- 36 temporary shelter mats

Who will live here?

People who apply to live here need to:

• Be over the age of 19
• Have a history of homelessness in Chilliwack
• Need additional support services to maintain housing

Tenant Selection Process:

RainCity Housing will work with BC Housing and local service providers to ensure the needs of a potential resident are well matched to the types of support services provided. People are assessed through the Vulnerability Assessment Tool, which helps determine the support services they need to remain housed and live a more healthy, stable life, while ensuring a healthy resident mix within a building. All tenants will pay rent.

Why do people experience homelessness?

Homelessness is usually the result of many factors including:
• A lack of adequate income
• A lack of access to affordable housing and medical services
• Experiences of discrimination
• Traumatic events and personal crisis
• Physical health problems or disabilities
• Mental health concerns

All tenants in supportive housing have made a choice to work towards living a healthy, stable life.
