Under general supervision, the Property Portfolio Assistant reports to a Property Portfolio Manager in the Regional Office which is responsible for all business conducted regarding tenants and housing stock within the Regional boundaries. The duties of the Property Portfolio Assistant include the initial set-up of tenant records with accurately documented rents, subsidies, services and the ongoing maintenance of the files using established protocols and BC Housing's systems and databases. Working collaboratively in a team setting the Property Portfolio Assistant provides direct support to tenants and Property Portfolio Managers (PPMs) regarding all associated programs, products and services including rent calculations, annual reviews, the scheduling and maintenance processes of housing stock and other services. While reviewing and monitoring tenant and housing records, the Property Portfolio Assistant analyzes and interprets information to ensure accuracy and initiates corrective action when necessary. As required the Property Portfolio Assistant will complete the tenancy interview and sign-up in the absence or in conjunction with the Property Portfolio Manager.

The Property Portfolio Assistant is required to work on site as well as in an office environment.

| |
