Why are People Homeless?

We want to increase access to housing with supports...

What is supportive housing?

Proposed - New Supportive Housing at the Langley Quality Inn

- 49 new supportive housing units for people experiencing homelessness
- Space for programming and support services
- 24/7 staffing and support
- Home of the Intensive Case Management Team, which would provide support to residents and across the community

Location: 2465 201 Street, Langley

Who would live here?

People who apply to live here need to:

- Be over the age of 19
- Be a Langley resident currently experiencing homelessness
- Need additional support services to maintain housing
- Pay rent

Who is Involved

Tenant and Neighbourhood Safety

Being Good Neighbours

Stepping Stone Community Services Society would develop a **Community Advisory Committee** to work together to improve the neighbourhood:

Who? Representation from BC Housing, Fraser Health, RCMP, local businesses, community organizations and community members.

When? Committee would start meeting on regular basis before the housing opens.

How? Stepping Stone will manage the building 24/7 and be available to respond directly to any related concerns that may arise in a timely manner.
