Bachelor, 1, 2, & 3 Bedroom rates are determined by adding 10% to the average value for the communities found in the CMHC Rental Market Reports for Fall/December 2009.

Figures shown in italics are calculated by BC Housing for areas and/or bedroom sizes where CMHC provides no current data. These figures reflect an average rate based on a survey of rents conducted by BC Housing. These calculations will not be reviewed in less than 12 months. All 4 & 5+ bedroom rates fall into this category.

Figures shown on gray background reflect latest available data, collected prior to 2004. CMHC no longer publishes for these municipalities.

* If you need data for an area or bedroom size highlighted in gray, not listed or shown as “No data”, contact BC Housing for assistance with determining an appropriate rent ceiling.
