1. INTRODUCTION

1.1. Invitation to Proponents

Through the Regional Housing First Program (“RHFP”), this Request For Proposal (“RFP”) is issued by the Capital Regional District (“CRD”), Canada Mortgage and Housing Corporation (CMHC) and BC Housing Management Commission (“BC Housing”) to non-profit housing societies, the private sector and other community groups interested in creating new affordable rental housing units for low to moderate households, and housing units to address the needs of people experiencing homelessness within the Capital Region. Priority will be given to projects that include a portion of units that rent at provincial Income Assistance Rates and are still viable without additional financial assistance from the CRD or BC Housing. Respondents to this RFP and their employees are expected to have the necessary experience, resources and capacity to undertake such a project. Non-profit housing societies may partner with other organizations to strengthen their proposed project.

This RFP is a rolling call, remaining open until program funds have been consumed. Proponents are free to submit their proposals at any time. Proposals will be reviewed as they are received.

For the purposes of this procurement process, the BC Housing contact shall be:

- **Michael Lachocki, Procurement Manager**
- **purchasing@bchousing.org**

All queries and information requests are to be made in writing only to the contact at the above email address. No enquires are to be directed to any of the Society landowners.

No responses to any other form of request will be responded to unless it has been submitted in writing to the above Contact person at the above email address no later than the date and time for the deadline for questions specified in Section 3.

1.2. CRD, BC Housing, CMHC and RFHP Background

The CRD was created in 1966 as part of the BC Provincial Government’s initiative to address service requirements that transcend municipal boundaries and where municipal collaboration is required to achieve economies of scale. In 1974 the CRD established a Land Banking and Housing Service to acquire land to support the development and operation of public housing units. In 1982 it created the Capital Region Housing Corporation which now operates 1,286 housing units of which 70% are subsidized and 30% are non-subsidized. The CRHD was established by the provincial government (*Hospital District Act*) to provide the local share of capital funding for healthcare infrastructure in the capital region and plays a role in housing people within designated health facilities.

BC Housing was established as an agency of the Province of British Columbia in 1967 to manage provincial and federal-provincial housing and property. In all its programs and activities, it is accountable to the provincial ministry responsible for housing.

The Provincial Rental Housing Corporation (“PRHC”) is the land holding entity for provincially owned

Making a difference...together

social housing. BC Housing administers PRHC, which buys, holds and disposes of properties and leases residential properties to non-profit societies and co-operatives.

In the fall of 2015 the CRHD/CRD Boards requested that CRD staff explore the potential to borrow up to \$30 million to create housing units to address the needs of people experiencing chronic homelessness in the region and in December 2015 directed staff to develop the Regional Housing First Program on the condition of acquiring matching funding from BC Housing.

On February 12, 2016 the BC Government announced that British Columbia had committed \$355 million toward creating as many as 2,000 affordable housing units across the province through the Provincial Investment in Affordable Housing (PIAH) program. In May 2016, BC Housing committed, through a Partnering Agreement with the CRD and Island Health, to matching the CRD's commitment by contributing \$30 million of the PIAH funding for creating new affordable rental housing units for low to moderate income households.

In September 2016, the CRD Board approved the RHFP Implementation Plan that supports this RFP process.

As part of this partnership, the federal government, through CMHC, is investing \$30 million through the National Housing Strategy (NHS). One of the NHS' objectives is a 50% reduction of chronic homelessness, by empowering local communities to deliver a combination of housing programs, and responsive and preventative measures such as the RHFP in the capital region.

1.3. Type of Contract for Deliverables

For PRHC or CRD owned units, the housing provider will enter in to an operator agreement with the owner to operate the units. Non-profit owned units financed through BC Housing will require a PIAH Operating Agreement with BC Housing.

1.4. No Guarantee of Volume of Work or Exclusivity of Contract

Multiple projects are expected to be awarded as a result of this Request for Proposals. BC Housing will not guarantee the value or volume of work that may be assigned to the selected Proponent. The Agreement/Contract that may be negotiated with the selected Proponent may not be an exclusive contract for the provision of the described Deliverables.

1.5. Canadian Free Trade Agreement

Respondents should note that procurements falling within the scope of Chapter 5 of the Canadian Free Trade Agreement are subject to that chapter but that the rights and obligations of the parties shall be governed by the specific terms of each tender call. For further reference, please see the website at <https://www.cfta-alec.ca/canadian-free-trade-agreement/>

1.6. Sustainable Procurement

BC Housing, CRD and CMHCare committed to sustainable procurement whereby environmental considerations are incorporated into our policies and procedures and impact the products and services we procure. Areas considered include, but are not limited to, the following:

- Conservation or reduction of natural resources.
- Reducing primary and secondary sources of pollution.
- Reducing the use of water and energy sources.
- Eliminating or reducing environmental health hazards.
- Supporting comprehensive recycling programs.
- Reducing the volume of materials sent to landfills.
- Increasing the use of environmentally preferable products.

1.7. Items Required Upon Notification of Award

2. REQUIREMENTS AND DELIVERABLES

2.1. Funding Details

The RHFP funding will be provided by the CRD, CMHC and BC Housing (through the PRHC) in exchange for equity ownership, but this funding is limited to only the newly created affordable rental units. A portion of the rental housing units for low to moderate income households will be available and affordable to people experiencing homelessness in the region. While there is no limit on the amount of equity funding requested, proponents are encouraged to maximize their contributions that would allow for leveraging in addition to the Province's capacity to provide interim construction financing at reduced rates.

For more information on project funding, proponent eligibility and definitions on "Affordable Rental Housing", "Income Assistance Rate Units" and "Low to Moderate Income" households and target affordability measures please refer to the RHFP Framework (Appendix E).

A portion of the targeted client group identified in the proponent's submission may be persons who have been identified as requiring housing through a BC Housing and CRD approved housing application system that assesses the needs of people experiencing homelessness in the region. This portion of the targeted client group may or may not require health or social supports to access housing units, but proponents are encouraged to demonstrate the interest and capacity to accommodate some individuals who require supports within approved units of housing.

A recent Community Plan provides guidance with respect to program targets and has identified the following population groups as priority for funding in this stream:

- Indigenous people experiencing homelessness;
- Youth aged 16-25 experiencing homelessness; and
- Women fleeing violence.

Projects focused on other population groups will be considered. All projects will be reviewed according to criteria outlined in section 3.2 of this document.

Please note the following initiative funding restrictions:

- Residential Care facilities are not eligible
- Funding will only be in the form of PRHC and/or CRD Equity Ownership (purchase of a number of affordable rental units within the proposed development)

- Developments must be sustainable without ongoing government subsidies, which includes the ability to maintain the proposed rents over time without any operating subsidies or require government grants for capital repairs/replacements
- On-Reserve housing will not be considered
- Eligible tenants may apply to receive SAFER or RAP where applicable (Please BC Housing website for details)
- Funding can be layered but not across multiple BC Housing initiatives

2.2. **Project Requirements**

Proposals must be for projects that have the following features:

- i. Create new affordable units
- ii. Units must remain affordable for at least 35 years
- iii. Units must be viable without ongoing government subsidy
- iv. Projects must achieve a minimum 10% decrease in energy intensity and greenhouse gas (GHG) emissions relative to other projects constructed to building code requirements of their respective jurisdictions
- v. A minimum of 10% of the units must meet accessibility requirements. Accessible features may include: ramps, lifts, modified kitchens, bathrooms and home automation (please see BC Housing website: Design Guidelines)
- vi. Should be located within 1km of a transit stop for communities that offer transit.

In addition, BC Housing and the CRD are particularly interested in submissions from proponents that:

- i. Are registered in good standing under the *Society Act*
- ii. Have a stated purpose of providing Affordable Housing
- iii. Have previously worked with the CRD or BC Housing and are considered in “Good Standing”. Good Standing is defined as having engaged in positive historical financial and operating reviews with the CRD and/or BC Housing. This would include maintenance practices, review observations, accounts receivable, financial risk assessment as well as reporting practices as covered during these reviews.

Proponents who have no previous relationship with the CRD or BC Housing are still encouraged to submit their proposals.

3. PROPOSAL REQUIREMENTS, SUBMISSION FORMAT AND EVALUATION OF PROPOSALS

3.1.2. **Proposals Must be Submitted in the Prescribed Manner**

Where a Proponent is a partnership, have the response form signed by the general partner or the partner with the authority to bind the partners. Where the Proponent is a sole proprietor, have the response signed by the Proprietor.

Making a difference...together

No oral (by telephone or otherwise) or written response(s) (by facsimile, courier or mailed) shall be accepted. Responses that are illegible, conditional, obscure, contain arithmetical errors, erasure, alterations, or irregularities of any kind may be declared informal and rejected.

3.1.3. Proposals Must be Submitted on Time

Proposals must be submitted on or before the Submission Deadline. Onus and responsibility rests solely with the proponent to submit its proposal on time as indicated in the RFP. Proponents are advised to make submissions well before the deadline. Proponents making submissions near the deadline do so at their own risk.

3.1.4. Amendment of Proposals

Proponents may amend their submissions prior to the Submission Deadline by the same method as prescribed for the submission of proposals.

3.1.5. Withdrawal of Proposals

Proponents may withdraw their proposals prior to the Submission Deadline by the same method as prescribed for submission of proposals.

3.2 Proposal Evaluation

CRD, BC Housing and CMHC will conduct the evaluation of proposals according to these steps:

- 3.2.1. Step 1: The proposals will be evaluated by a review committee made up of representatives of the CRD, BC Housing, and CMHC. This committee review will be based on the information submitted in either Appendix C or D by the proponent.

Each submission will be scored out of a possible 100 points. The highest-ranking proposals identified for approval will then move on to the second step of the evaluation process.

- 3.2.2. Step 2: Projects will be identified for the CRD Board and/or BC Housing's Development & Asset Strategies Executive Committee and CMHC to make the final selection based upon the RHFP's objectives. Priority will be given to projects that include a portion of units that rent at provincial Income Assistance Rates and are still viable without additional government financial assistance.

3.2.3. Selected submissions will then proceed to the Provisional Project Approval Stage, where their proposal will be comprehensively reviewed by CRD, BC Housing and CMHC staff. CRD staff and/or a BC Housing Development Manager will work with the proponent to assess and refine aspects of their proposal, including finalizing the CRD and/or PRHC/BC Housing Equity Ownership amount and any construction and take-out financing requests. Please note that during this assessment the proposal may require adjustments to receive approval to proceed.

3.2.4. On receiving Provisional Project Approval, the capital costs and Equity Ownership amounts will be reviewed and approved by the CRD Board and/or BC Housing and/or CMHC. All local government approvals will need to be in place, as well as any other support funding needed for the Income Assistance Rate Units. The proponent organization would need to execute the appropriate documents to secure funding.

3.3 Stage I - Minimum Requirements

3.3.1. Minimum Requirements

Proponents must complete the following forms, in the format provided, to meet the minimum requirements. Proponents submitting proposals that do not meet the minimum requirements may be provided an opportunity prior to the Rectification Date to rectify any deficiencies. Submissions should include:

3.3.4 Responses to Evaluation Criteria

Each submission will be evaluated based on the responses provided for the rated evaluation criteria in Appendix C (for Development and Operations) or Appendix D (Development Only). Each submission should clearly identify your understanding of the RFP and deliverables in a clear and concise response.

It is the Proponent’s responsibility to avail itself of all the necessary information to prepare a proposal in response to the RFP.

Proponents Shall Bear Their Own Costs

The Proponent shall bear all costs associated with or incurred in the preparation and presentation of its proposal, including, if applicable, costs incurred for interviews or demonstrations.

4.2. Communication after Issuance of RFP

Proponents to Review RFP

Proponents shall promptly examine all the documents comprising the RFP, and

- a. shall report any errors, omissions or ambiguities; and
- b. may direct questions or seek additional information in writing by email on or before the Deadline for Questions to the BC Housing Contact. All questions shall be deemed to be received once the email has entered the BC Housing Contact’s email inbox. No such

communications are to be directed to anyone other than the BC Housing Contact. BC Housing is under no obligation to provide additional information.

It is the responsibility of the Proponent to seek clarification from the BC Housing Contact on any matter it considers to be unclear. BC Housing shall not be responsible for any misunderstanding on the part of the Proponent concerning the RFP or its process.

All Additional Information to Proponents by Way of Addenda

The RFP may be amended only by an addendum in accordance with this section. If BC Housing, for any reason, determines that it is necessary to provide additional information relating to the RFP, such information will be communicated by posted addenda. Each addendum forms an integral part of the RFP.

Such addenda may contain valuable information, including significant changes to the RFP. Proponents are responsible for obtaining all addenda issued by BC Housing. In the Submission Form (Appendix B), Proponents must confirm their receipt of all addenda by setting out the number of each addendum in the space provided.

Post-Deadline Addenda and Extension of Submission Date

If any addendum is issued after the Deadline for Issuing Addenda, BC Housing may at its discretion extend the Submission Date for a reasonable amount of time.

When evaluating responses, BC Housing may request further information from the Proponent or third parties to verify or clarify or supplement the information provided in the proponent's proposal. BC Housing may revisit and re-evaluate the proponent's response or ranking based on any such information.

No Incorporation by Reference

The entire content of the Proponent's proposal should be submitted in a fixed form, and the content of websites or other external documents referred to in the Proponent's proposal will not be considered to form part of its proposal.

Proposal to Be Retained by BC Housing

BC Housing will not return the proposal, or any accompanying documentation submitted by a Proponent.

4.3. Negotiations, Notification and Debriefing

Selection of Top-Ranked Proponent

The top-ranked proponent, as established under Part 3 – Evaluation of Proposals, may receive a written invitation to enter into direct contract negotiations with BC Housing.

Timeframe for Negotiations

Making a difference...together

BC Housing intends to conclude negotiations within thirty (30) days commencing from the date BC Housing invites the top-ranked Proponent to enter negotiations. A Proponent invited to enter into direct contract negotiations should therefore be prepared to provide requested information in a timely fashion and to conduct its negotiations expeditiously.

Process Rules for Negotiations

Any negotiations will be subject to the process rules contained in this Part 4 – Terms and Conditions of RFP Process and the Submission Form (Appendix B) and will not constitute a legally binding offer to enter into a contract on the part of BC Housing or the Proponent. Negotiations may include requests by BC Housing for supplementary information from the Proponent to verify, clarify or supplement the information provided in its proposal or to confirm the conclusions reached in the evaluation, and may include requests by BC Housing for improved pricing from the Proponent.

Terms and Conditions

The terms and conditions found in the Form of Agreement (Appendix A) are to form the starting point for negotiations between BC Housing and the selected Proponent.

Failure to Enter Into Agreement

Proponents should note that if the parties cannot execute a contract within the allotted thirty (30) days, BC Housing may invite the next-best-ranked Proponent to enter into negotiations. In accordance with the process rules in this Part 4 – Terms and Conditions of RFP Process and the Submission Form (Appendix B), there will be no legally binding relationship created with any Proponent prior to the execution of a written agreement. With a view to expediting contract formalization, at the midway point of the above-noted timeframe, BC Housing may elect to initiate concurrent negotiations with the next-best-ranked Proponent. Once the above-noted timeframe lapses, BC Housing may discontinue further negotiations with that Proponent. This process shall continue until a contract is formalized, until there are no more Proponents remaining that are eligible for negotiations or until BC Housing elects to cancel the RFP process.

Notification to Other Proponents

Other Proponents that may become eligible for contract negotiations will be so notified at the commencement of the negotiation process. Once a contract is executed between BC Housing and a Proponent, the other Proponents may be notified directly in writing and shall be notified by public posting in the same manner that the RFP was originally posted of the outcome of the procurement process and the award of the contract.

Debriefing

Proponents may request a debriefing after receipt of a notification of award. All requests must be in writing to BC Housing Contact and must be made within sixty (60) days of notification of award. The intent of the debriefing information session is to aid the Proponent in presenting a better proposal in subsequent procurement opportunities. Any debriefing provided is not for providing an opportunity to challenge the procurement process.

Bid Protest Procedure

Making a difference...together

If a Proponent wishes to challenge the outcome of the RFP process, it should provide written notice to the BC Housing Contact within thirty (30) days of notification of award, and BC Housing will respond in accordance with its bid protest procedures.

4.4. Prohibited Communications and Confidential Information

Prohibited Proponent Communications

The Proponent shall not engage in any Conflict of Interest communications and should take note of the Conflict of Interest declaration set out in the Submission Form (Appendix B). For the purposes of this Section, “Conflict of Interest” shall have the meaning ascribed to it in the Submission Form (Appendix B).

Proponent Not to Communicate with Media

A Proponent may not at any time directly or indirectly communicate with the media in relation to the RFP or any contract awarded pursuant to the RFP without first obtaining the written permission of the BC Housing Contact.

Confidential Information of BC Housing

All information provided by or obtained from BC Housing in any form regarding the RFP either before or after the issuance of the RFP

- a. is the sole property of BC Housing and must be treated as confidential;
- b. is not to be used for any purpose other than replying to the RFP and the performance of any subsequent Contract;
- c. must not be disclosed without prior written authorization from BC Housing; and
- d. shall be returned by the Proponents to BC Housing immediately upon the request of BC Housing.

Confidential Information of Proponent

The confidentiality of information will be maintained by BC Housing, except as otherwise required by law or by order of a court or tribunal. Proponents are advised that their proposals will, as necessary, be disclosed on a confidential basis, to BC Housing’s advisers retained for evaluating or participating in the evaluation of their proposals. If a Proponent has any questions about the collection and use of personal information pursuant to the RFP, questions are to be submitted to the BC Housing Contact.

4.5. Procurement Process Non-binding

No Contract A and No Claims

The procurement process is not intended to create and shall not create a formal legally binding bidding process and shall instead be governed by the law applicable to direct commercial negotiations. For greater certainty and without limitation: (a) the RFP shall not give rise to any “Contract A”-based tendering law duties or any other legal obligations arising out of any process contract or collateral contract; and (b) neither the Proponent nor BC Housing shall have the right to make any breach of contract, tort or other claims against the other with respect to the award of a contract, failure to award a contract or failure to honour a response to the RFP.

No Contract until Execution of Written Agreement

The RFP process is intended to identify prospective vendors for the purposes of negotiating potential agreements. No legal relationship or obligation regarding the procurement of any good or service shall be created between the Proponent and BC Housing by the RFP process until the successful negotiation and execution of a written agreement for the acquisition of such goods and/or services.

Non-binding Price Estimates

While the pricing information provided in responses will be non-binding prior to the execution of a written agreement, such information will be assessed during the evaluation of the responses and the ranking of the Proponents. Any inaccurate, misleading or incomplete information, including withdrawn or altered pricing, could adversely impact any such evaluation, ranking or contract award.

Disqualification for Misrepresentation

BC Housing may disqualify the Proponent or rescind a contract subsequently entered if the Proponent's response contains misrepresentations or any other inaccurate, misleading or incomplete information.

References and Past Performance

BC Housing's evaluation may include information provided by the Proponent's references and may also consider the Proponent's past performance on previous contracts with BC Housing or other institutions.

Inappropriate Conduct

BC Housing may prohibit a supplier from participating in a procurement process based on past performance or based on inappropriate conduct in a prior procurement process, and such inappropriate conduct shall include but not be limited to the following: (a) the submission of quotations containing misrepresentations or any other inaccurate, misleading or incomplete information; (b) the refusal of the supplier to honour its pricing or other commitments made in its proposal; or (c) any other conduct, situation or circumstance, as solely determined by BC Housing, which constitutes a Conflict of Interest. For the purposes of this Section, "Conflict of Interest" shall have the meaning ascribed to it in the Submission Form (Appendix B).

Cancellation

BC Housing may cancel or amend the RFP process without liability at any time.

4.6. Governing Law and Interpretation

Governing Law

The terms and conditions in this Part 4 – Terms and Conditions of RFP Process (a) are included for greater certainty and are intended to be interpreted broadly and separately (with no particular provision intended to limit the scope of any other provision); (b) are non-exhaustive (and shall not be construed as intending to limit the pre-existing rights of the parties to engage in pre-contractual discussions in accordance with the common law governing direct commercial negotiations); and (c)
