Choices For Families Zone 6 - Vancouver

The Housing Listings is a resource directory of affordable housing in British Columbia and divides the Lower Mainland into 7 zones. Zone 6 identifies affordable housing in the City of Vancouver, which has been divided into 13 city neighbourhoods.

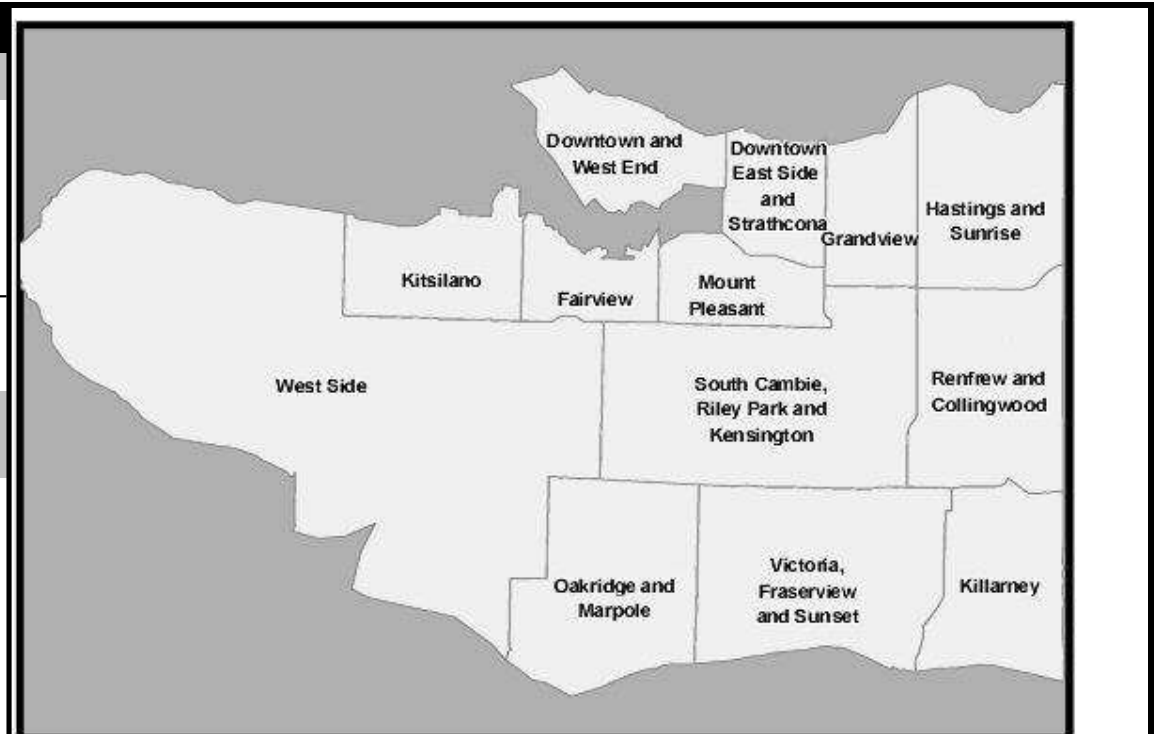

The attached listings are divided into two sections.

Section #1: Apply to The Housing Registry

Section 1 - Lists developments that The Housing Registry accepts applications for. These developments are either managed by BC Housing, Non-Profit societies or Co-operatives. To apply for these developments, please complete an application form which is available from any BC Housing office, or download the form from www.bchousing.org/housing-assistance/rental-housing/subsidized-housing.

Section #2: Apply directly to Non-Profit Societies and Housing Co-ops

Section 2 - Lists developments managed by non-profit societies or co-operatives which maintain and fill vacancies from their own applicant lists. To apply for these developments, please contact the society or co-op using the information provided under "To Apply". Please note, some non-profits and co-ops close their applicant list if they reach a maximum number of applicants.

In order to increase your chances of obtaining housing it is recommended that you apply for several locations at once.
