

# Affordable Housing: Quarterly Progress

## Q2: September 30, 2022

In Budget 2018, the Provincial Government announced Homes for BC, 114,000 units which included the largest investment in housing affordability in B.C.'s history. To date, more than 36,000 of these homes are completed, in progress or underway throughout the province. As of September 30, 2022, BC Housing has 27,850 new affordable homes either complete or underway through the ten-year plan.

### Building the Homes that People Need

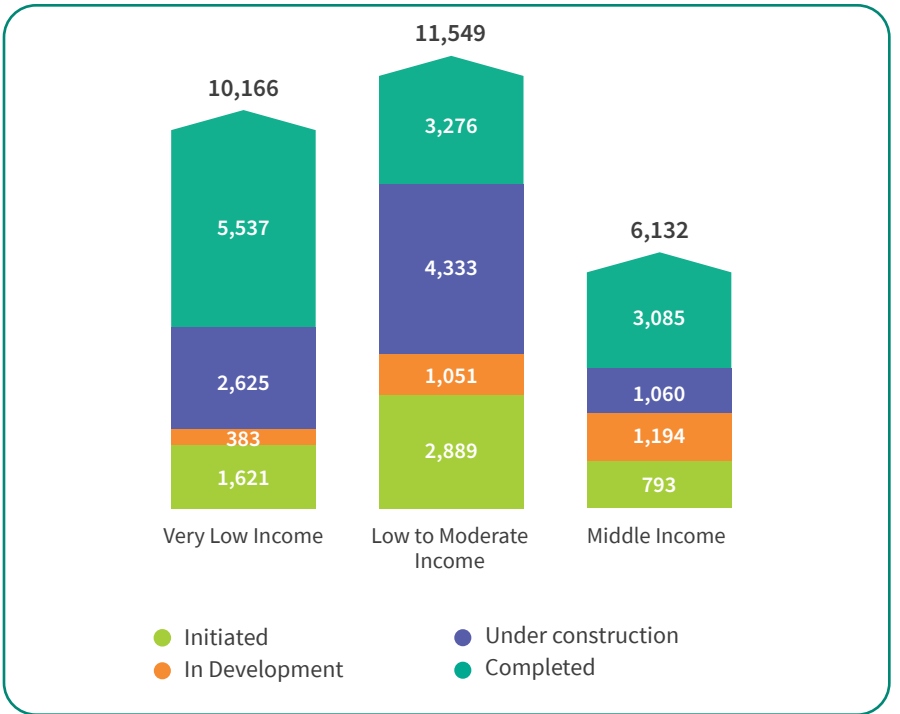

BC Housing works hard to provide a range of affordable housing options for people with very low incomes, low-to-moderate incomes, and middle incomes.

## Rental Supplement Programs

Through rental assistance programs, BC Housing helps low-income working families, seniors, youth and those who are at-risk of, or experiencing homelessness find an continue to have places to call home.

The rent supplements are portable, meaning households can live and move anywhere in B.C. and still receive the same monthly rent subsidy amount.
