Neighbourhood Update

1030 Old Victoria Road, Nanaimo

Hello Neighbour,

We are writing to share that the Opening Celebration & Neighbourhood Tours planned for **Thursday, May 29 at 1030 Old Victoria Road has been postponed.**

This temporary housing is urgently needed in Nanaimo and we have been working hard to open the units to residents this spring. Unfortunately, over the past week, unforeseen site conditions have caused a delay in our opening timeline. As a result, the site is not yet ready to host a public event or welcome residents.

We know many neighbours were looking forward to attending on May 29 and we hope you can join us on the new date below.

We'd also like to reassure you that the future tenants of this site are safe and able to remain at their current accommodations until they are able to move into the temporary housing.
