

## Secondary Suite Incentive Program (SSIP)

To be eligible for the Secondary Suite Incentive Program (SSIP):

- The home must be in one of the 161 incorporated British Columbian municipalities.
- The homeowner must have received an approved building permit for the creation of a secondary suite from the municipality.

The list below includes the 161 incorporated municipalities and provides a cross reference to the [Rent Affordability Limit](#) (RAL) area that will apply to newly created secondary suites under the program.

Full eligibility requirements and answers to common questions related to SSIP can be found [here](#).
