

## Safety Assessment Program Evaluator

### Go-kit

Most items will fit all disasters, some items depend on the type of disaster or field conditions, if hotel rooms are available or if tents are being used, etc. Please use your good judgment:

#### Protection and safety items

- |  |   |
|--|---|
| <input type="checkbox"/> Cell phone with charger         | <input type="checkbox"/> Safety glasses             |
| <input type="checkbox"/> NIOSH masks or respirator       | <input type="checkbox"/> Safety shoes               |
| <input type="checkbox"/> Earplugs                        | <input type="checkbox"/> Safety whistle             |
| <input type="checkbox"/> Gloves                          | <input type="checkbox"/> Small first aid kit        |
| <input type="checkbox"/> Flashlight with extra batteries | <input type="checkbox"/> Sunscreen                  |
| <input type="checkbox"/> Hand sanitizer or hand wipes    | <input type="checkbox"/> Water container or canteen |
| <input type="checkbox"/> Hard hat                        | <input type="checkbox"/> Water purification tablets |
| <input type="checkbox"/> Insect repellent                | (depending on conditions)                           |
| <input type="checkbox"/> Magnetic compass                |   |
| <input type="checkbox"/> Rain gear, rubber boots         |   |

#### Field work items

- Lockable backpack (most things can be stored in this)
- Clipboard
- Field manual
- Paper or notebook
- Professional ID card
- Identification card with lanyard
- Identifying vest/clothing, if available
- Waterproof marking pens
- Waterproof writing pens or pencils

#### Necessary personal items

- Credit card, traveler's checks, and/or cash, including phone change
- Extra clothing, towels
- Personal hygiene supplies
- Personal identification (driver's license is OK)
- Prescription medication for at least the deployment period, plus 2 days
- Sleeping bag and inflatable mattress, depending on conditions

#### Suggested items (things you may want to consider)

- Binoculars (to observe conditions too high or remote to see easily)
- GPS unit w/charger and batteries
- Knee pads
- Reading materials (for after-hours)
- Reflective safety vest
- Shower slippers, if in camp setting
- Small battery-powered radio w/batteries (for after-hours)
- Swiss army knife or multi-tool
- Tape measure
- Waterproof paper or notebook
