**BC HOUSING**

## **BC Housing is launching a multi-phase planning and design process that will establish a plan for redeveloping Skeena Terrace.**

Originally constructed between 1962 and 1964, the buildings and infrastructure at Skeena Terrace are old and require extensive and ongoing repairs to keep them in a safe and livable condition. They are nearing the end of their economic lifecycle, meaning that the cost of maintenance, repairs, and asset renewal have increased substantially.

Throughout the upcoming master planning and redevelopment process you will have the opportunity to help shape the design of the new community, by sharing your ideas with us.

For more information about how to get involved, continue to check the project website: [www.bchousing.org/vancouver-skeena-terrace](http://www.bchousing.org/vancouver-skeena-terrace) or email us at: [communityrelations@bchousing.org](mailto:communityrelations@bchousing.org)
