Homelessness & Housing in Smithers

- **57 people** experiencing homelessness in Smithers
- **Increase of 73%** from 2021
- Service providers report **more people at risk** and **increased wait lists.**

Source: 2023 Point-in-Time count. Note the actual number is likely higher, as counts do not reflect people who are couch surfing or sheltering in vehicles and also in urgent need of housing.

Our Response – Housing First

STEP
1 Offer people experiencing homelessness **safe, long-term housing.**

STEP
2 Provide **supports, services and guidance** to maintain housing and achieve other personal goals.

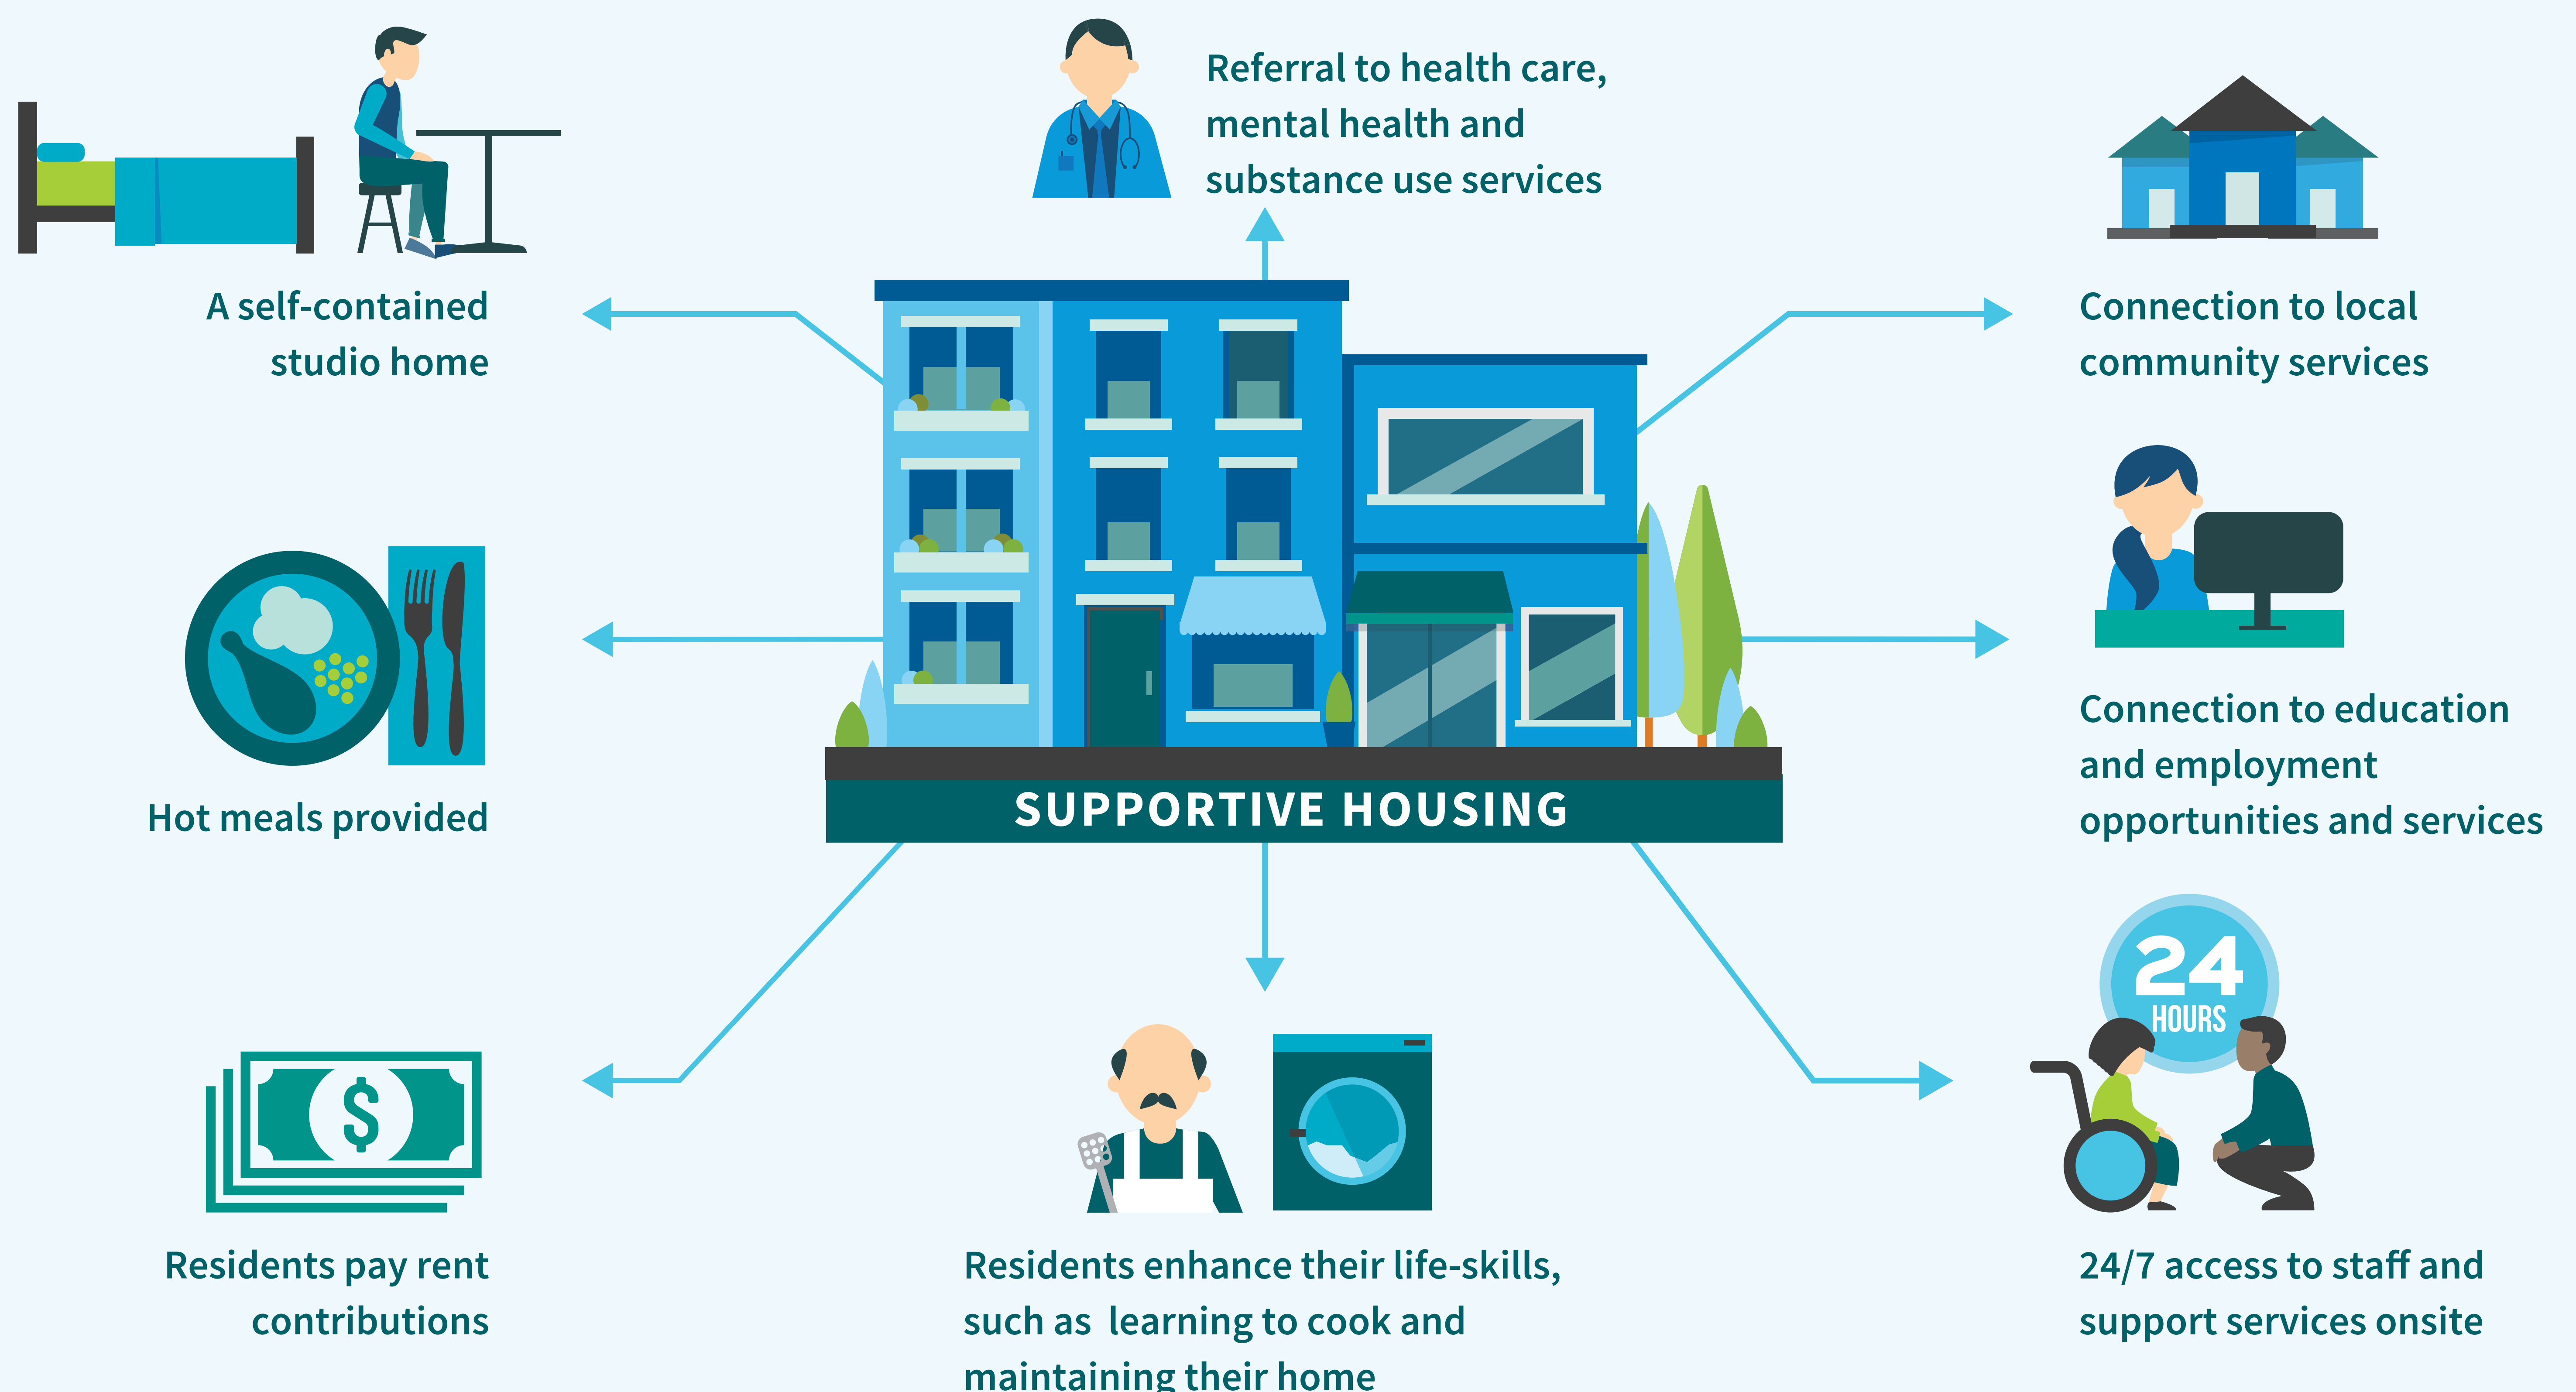

What is Supportive Housing?

- **Subsidized housing with on-site supports**
- Culturally informed services
- Homes are for local people at risk of or experiencing homelessness

Supportive Housing at 3896 Railway Ave, Smithers

What services are typically available?

Residents

Who will live here?

- Adults over the age of 19
 - ♦ including seniors and people with disabilities
 - ♦ experiencing or at risk of homelessness
 - ♦ in need of supports to maintain housing
- Priority given to Smithers residents
- All residents pay rent and sign a program agreement around expectations and behaviours

Resident selection

- Residents are offered homes through a process called **Coordinated Access and Assessment**
- Process involves collaboration with local service providers
- Residents individually matched with appropriate homes and services
- Ensures a balanced resident mix
