

Demolition Notice

2570 Bartley Road, West Kelowna

December 16, 2025

Dear Neighbour,

We are writing to share that BC Housing will begin site work to demolish the existing structures at 2570 Bartley Road in West Kelowna in the coming days.

Site work and demolition

BC Housing purchased the property at 2570 Bartley Road from the City of West Kelowna in 2023. We have a permit to demolish an office building, garage and a metal garage that are currently on the site.

We will start site work in mid-December and demolition in early January 2026. We will install temporary fencing and clearly mark any work areas for safety. We will follow all local bylaws and share notices about any expected traffic or noise disruptions.

Future updates

BC Housing will keep lines of communication open. We will continue to send updates to direct neighbours. We will share more information about the future BC Housing project as it is available.

If you have questions about the site work or demolition, please email **communityrelations@bchousing.org**.

Sincerely,

BC Housing
