Permanent Supportive Housing and Shelter

3879 ALFRED AVENUE

What's Happening?

BC Housing is proposing to build a new 3-storey building at 3879 Alfred Avenue.

THE BUILDING WOULD INCLUDE:

- 40 studio homes with support services (supportive housing)
- 20 permanent shelter spaces with support services
- Separate indoor program spaces and outdoor common areas
- Separate dining areas and laundry facilities
- Separate reception entrance areas and office space for staff
- Fenced grounds and on-site parking
- Estimated opening winter 2028

Smithers Housing Situation Table Meetings

3879 ALFRED AVENUE

In May 2025 and April 2026 BC Housing met with the Smithers Situation Table, a group of 21 community partners and service providers.

What we heard

Participants emphasized the importance of ensuring the building design and on-site services support cultural inclusion and safety.

How this feedback has informed the development

DISTINCT SUPPORTIVE HOUSING AND SHELTER AREAS WITHIN THE BUILDING, INCLUDING:

- Separate indoor program spaces and outdoor common areas
- Dedicated dining areas and laundry facilities
- Separate reception and entrance areas

THE INCLUSION OF INDIGENOUS ARTWORK WITHIN COMMON AREA INTERIOR SPACES

CULTURALLY INFORMED APPROACHES TO SERVICE DELIVERY INCLUDING:

- A mandatory five-day Indigenous cultural safety workshop for all on-site staff

Housing and Shelter Program Separation

3879 ALFRED AVENUE

Separate areas within the building

Although located in the same building, the supportive housing and permanent shelter are separate programs with separate spaces.

The floor plans below show how the shelter and supportive housing areas are physically separated within the building.

Supportive Housing

3879 ALFRED AVENUE

Supportive housing is subsidized housing with on-site supports. Residents are single adults (19+) who are at risk of or experiencing homelessness. This can include seniors and people with disabilities.

ALL RESIDENTS:

- Live in a self-contained studio home with supports to help maintain housing stability
- Have access to 24/7 on-site staffing, wellness checks, life skills and employment training, and connections to health and community services
- Apply to live in the building, sign a program agreement, and pay rent

*To learn more about the benefits of supportive housing, scan the QR code or pick up a copy of the **Community Benefits of Supportive Housing** brochure.*

Permanent Shelter

3879 ALFRED AVENUE

A shelter offers free, immediate places to stay for adults (19+) who are experiencing or at risk of homelessness.

A guest may stay in a shelter space for one night to a few months or longer. Shelter staff work with each guest to help them move toward stable, permanent housing.

SUPPORTS & SERVICES ARE FOR REGISTERED SHELTER GUESTS ONLY AND OFFER:

- A safe, indoor place to stay
- Access to a bed, bedding, shared washrooms and laundry facilities, and daily meals
- On-site supports, including 24/7 staff, personalized case planning, and referrals to health care, housing and community services

Shelters are an important first step for people who are transitioning out of homelessness.

People without access to basic shelter must focus solely on survival. After a person can access a warm bed, washrooms and meals, they are in a much better position to improve their well-being and enter stable housing.

Proposed Interim Shelter

3892 3RD AVENUE

BC Housing is proposing to build an interim year-round shelter at 3892 3rd Avenue. This shelter would help reduce the impact of homelessness in the community while we continue developing permanent supportive housing and shelter on Alfred Avenue.

SHELTER FEATURES WOULD INCLUDE:

- 25 year-round spaces
- Significant interior and exterior renovations
- Common/program areas and a central kitchen
- Updated washroom facilities
- Provincial funding through the HEART and HEARTH program

SERVICES & SUPPORTS WOULD INCLUDE:

- 24/7 staffing
- Daily meals
- Health care referrals and wellness checks
- Connection and referral to community services or support groups

\$1,932

is the average monthly cost of a shelter bed vs. **\$4,333 for provincial jail** or **\$10,900 for a hospital bed**

40%

of people who moved into supportive housing in BC in 2022-23 had previously accessed a shelter

HEART & HEARTH

3892 3RD AVENUE

The Province identified Smithers as a HEART & HEARTH community in February 2026.

HEART

Homeless Encampment Action Response Teams (HEART) bring together local and provincial outreach teams to better support people sheltering outside and in encampments to stay safe and healthy and more quickly transition indoors.

HEARTH

Homeless Encampment Action Response Temporary Housing (HEARTH) projects provide critical safe, indoor spaces as the Province continues to build more permanent supportive and affordable homes.

Through these programs, the Province is working in partnership with local governments, non-profit operators and other service providers to rapidly address homelessness and encampments in BC communities while we continue building more permanent housing.

Interim Shelter: Site Selection

3892 3RD AVENUE

BC Housing worked with the Town of Smithers to explore 10 possible locations for this interim shelter. 3892 3rd Avenue was the only location that met all the requirements for a HEARTH interim shelter.

Why this site?

- ➔ Close to services including transit, grocery stores, and community supports
- ➔ The right size and in condition to operate as a shelter
- ➔ Previously used as a temporary winter shelter, which operated until March 31, 2026
- ➔ Meets timeline needs, considering cost, zoning and required permits

Next Steps

We are recommending this site for approval by the Town of Smithers in June 2026. If approved, the building would be renovated, and the interim shelter would open in winter 2026.

Renovation Plans

- Exterior upgrades to the existing building
- New private outdoor common areas and parking stalls
- Upgrades to the central kitchen, and washrooms
